

CALAPAN

Modern luxury meets dynamic design and tantalizing texture in the Calapan collection, featuring hand-carved rugs in rich neutrals to effortlessly elevate the look of any space. Multi-dimensional details create eye-catching designs and touch-worthy texture for a touch of high-end design without the high-maintenance headache. Each rug is machine made with state-of-the-art, computer-driven looms and built to last, even in high traffic or spill prone areas.

- Soft Frieze Polypropylene
- 8 Colors
- 20 mm Pile Height
