

CHICAGO

Add an extra dimension to your home decor selection with the Chicago collection, featuring an array of stunning hand carved area rugs to elevate your customers' unique style. Geometric and abstract patterns in a palette of tonal neutrals features vivid blue and red accents for a dynamic and welcoming addition to any room. The polypropylene pile is soft and luxurious, and each design is hand-carved for added depth and texture. Perfect for a wide range of decor styles, these beautifully woven area rugs will do well in any area of the home - even places with high traffic and spill risk.
