

PRINCE

The eye-catching Prince collection features a blend of tonal cream, beige, and grey to create a variety of contemporary designs to fit your customers' unique styles. The simply sophisticated styles of this collection include geometric, trellis, abstract, and natural patterns, offering a compelling touch of modern luxury that's both comfortable and durable. Because these rugs are long-lasting and easy to clean, they'll do well even in high-traffic or spill-prone areas of the home.
